

**Kentucky Library Association Board Meeting  
November 21, 2009  
Library Administration and Management Round Table (LAMA)**

Members present at the Round Table Business Meeting at the Fall Conference in 2009 approved the 2009/2010 Slate of Officers.

Our 2010 Officers are:

Chair – Constance Ard, Answer Maven

Chair-elect – Abby Thorne

Secretary – Candace Rogers, Sullivan University, Lexington Campus

The round table presented a joint program/business meeting at the 2009 KLA Fall Conference on Thursday, October 1, 2:10-4:00pm. Title of program: Maximizing Media to Get Your Message Out: Library Marketing Beyond Ideas by Constance Ard.

The LAMA-RT business meeting was attended by 6 people. (Many people left after the presentation – despite the meeting being tied to the presentation in hopes of retaining attendees and possibly recruiting new members.) The lack of engagement by members was the main topic of conversation at the business meeting. With 51 members, how do we retain members and get them engaged in the leadership of the RT? We feel that rotating the duties of leadership among a few members is a disservice to the members-at-large and it causes us to question our current and future viability. This is an issue that will be explored during the next governance year.

Respectfully submitted,

Constance Ard, Chair
